SUMMARY

To start working and learning in the field of computer science in order to complement my education at Sacramento State, and to further develop my practical IT skills in a completely different and interesting environment.

EXPERIENCE

Raley's Supermarkets | Sacramento, California

At Raley's, I have proven to my peers and managers that I am a dependable and diligent worker, elevating to a variety of positions due to the trust that my managers have had in me.

Sept 2023 -
Present

Produce Clerk

- Extremely high attention to detail.
- Learned to take ownership and accountability as the primary closer.
- Work independently to ensure the department is presentable by closing time, employing my time management skills to effectively do so.

June 2022 -
Sept 2023

eCart Clerk

- Worked closely with customers to efficiently deliver their orders.
- Learned to take initiative in the department when no leads were present.
- Offered ideas and solutions to improve the departments workflow.

Nov 2020 -
June 2022

Courtesy Clerk

- Gained experience working in a team setting.
- Learned to communicate with customers effectively.
- Employee of the month Nov 2021.

EDUCATION

Fall 2020 -
Present

Bachelor's in Computer Science | GPA: 3.761 | Graduating: May 2024
CALIFORNIA STATE UNIVERSITY, SACRAMENTO

SKILLS

- Programming Languages: C, Java, HTML, CSS, Javascript/Typescript. Basic knowledge in Assembly, SQL and Python.
- Proficiency with the Microsoft Office 365 Suite (Outlook, Excel, Word, Teams, SharePoint), as well as Google products (Docs, Slides, Gmail, Sheets).
- Web development fundamentals, eager to learn more
- Ability to quickly develop workflows in new or familiar environments.
- Fantastic with time management and efficiency, while maintaining a level of precision.
